

JTorX - Bug #102

iocoChecker takes too long, and also preparing results for showing may take long time

11 Jun 2009 14:21 - Axel Belinfante

Status: Closed	Start date: 11 Jun 2009
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version: 1.3.0	
Description	
after iocochecker seems to have finished, it may take quite some time before results are presented (at least when fwgc model s4 is checked against itself)
